PROFESSIONAL EXPERIENCE

Internee

DigitsCom Technologies

April 2021 – September 2022 | Mansehra, Pakistan

- Actively engaged in learning practical skills related to website development during my internship.
- Demonstrated a proactive approach to building websites by applying the knowledge acquired.
- Additionally, during my university education, I joined this software Company where I gained valuable experience.

Associate Software Engineer

DigitsCom Technologies

September 2022 – present | Mansehra, Pakistan

Proficient in web development using HTML, CSS, Bootstrap, JavaScript, PHP, and MySQL for both front-end and back-end. Transitioned to React for modern web apps. Contributed as a front-end and back-end associate developer in Salesforce Commerce Cloud (SFCC), enhancing customer experiences and streamlining operations. Responsibilities included front-end features, performance optimization, and custom back-end solutions. Diverse skill set for effective contributions to web development projects.
